## The Holy Glorious and All-Praised Leaders of the Apostles, Peter & Paul

COMMEMORATED THIS DAY

Troparion — Tone 4

First-enthroned of the apostles, teachers of the universe: entreat the Master of all to grant peace to the world, and to our souls great mercy!

Kontakion — Tone 2

O Lord, You have taken up to eternal rest and to the enjoyment of Your blessings the two divinely-inspired preachers, the leaders of the Apostles, for You have accepted their labors and deaths as a sweet-smelling sacrifice, for You alone know what lies in the hearts of men.

Kontakion — Tone 2

Today Christ the Rock glorifies with highest honor the rock of Faith and leader of the Apostles, together with Paul and the company of the twelve, whose memory we celebrate with eagerness of faith, giving glory to the one who gave glory to them!

## Reflection

Simon Peter and Simon the Magician. The enemies of Christianity frequently like to cite examples of great miracle-workers among the pagans in order to deceive the gullible, to humiliate the Christian Faith and to elevate paganism, sorcery, soothsaying, Satanism and every other charlatanism. There is no doubt that Satan through his servants also attempted to perform miracles but all of the miracles of his servants do not emanate out of love for man, compassion and from faith in God but rather from pride, selfishness, vanity and hatred for mankind. A Christian should learn from the history of the apostles to differentiate divine miracles from satanic deceits and fantasies. Let the Christian only remember the Apostle Peter and Simon the Magician. Let the Christian compare the miracles of Peter with the so-called miracles of Simon. The apostle converted the stony hearts of men into noble hearts, cured the sick, and raised the dead and all of this by prayer and faith in the Living God. However, Simon the Magician amazed men with the devil's illusions. The Apostle Peter was a friend of God and Simon the Magician was a friend and protégé of the perverted Emperor Nero who ended his life by suicide. The miracles of the pagan fakirs belong to the category of illusions and deceits of Simon the Magician. Just as from a distance hot sand resembles water so also the "miracles" of the fakir resemble the life-creating miracles of Christianity.
