**WELCOME VISITORS! CHRIST IS IN OUR MIDST!**

We are honored you are visiting today. \* Liturgy **Books** may be found next to the **Candle Table** at the back of the church. \* We **invite you to fill out a Visitor's Card** on the Candle Table & place it in one of the Collection Baskets there. \* We do not take up a **Collection** during our services but rather ask you to place donations in one of the baskets on the Candle Table or next to the **Book Store Table**. \* While only Orthodox Christians who have prepared themselves may receive **Holy Communion**, everyone is welcome to come forward at the end of Liturgy to receive a blessing from our priest and to take the blessed bread. \* It is the **Orthodox practice** to stand during services as a sign of reverence for the Lord but if you need to sit, please do so. Use of chairs is shared. If you are able, we particularly try to stand during the processions with the Gospel and the Gifts, during the Readings, the Creed, during the preparation of the Holy Eucharist, the Lord's Prayer and reception of Communion. \* We **invite you** to stay after the Thanksgiving Prayers **for fellowship** and the meal so that we may greet you personally, and to answer any questions you may have about our faith, our parish or today's service. \* Please help yourself to the brochures and information on the east side counter. \* All children **ages three through twelve** are encouraged to attend our Sunday School after Holy Communion.

\* **We hope you will visit us again very soon.** \*

**OUR NEW BOOK STUDY** begins this Tuesday, October 23<sup>rd</sup> at 10:30am, with the work of our own Archbishop Alexander Golitzin, *The Living Witness of the Holy Mountain: Contemporary Voices from Mount Athos*. "In brief, this is a splendid book in every way ... Extremely well written, highly informative, and very inspiring. F<sup>r</sup> Alexander and S<sup>t</sup> Tikhon's Seminary Press have done the English-speaking Orthodox world a magnificent favor by producing this book. Please forgive our superlatives, but we are really excited by this publication. This is definitely a 'rush out and buy it!' book ... Fr. Alexander manages to make his timely introduction. ... both spiritual uplifting and delightful ... His ... compelling explanation of the monastic life [is] probably the finest written in modern times ... The extended introduction ... alone would make this book worth purchasing ... The story of how our beloved S<sup>t</sup> Herman has come to be loved and honored in Greece is ... simply inspiring ... One can read this book straight through with eager interest, and then pick it up again and again ..."
